WHAT DOING IF WE RECOGNIZE THESE SYMPTOMS ?

ALLAH says : « And we reveal of the Quran that which is a healing and a mercy for believers » (Sura AL ISRA verse 82)

The Prophet (pbuh) said: « Allah has created illness and remedy and made for each illness a remedy ;when the remedy hits the illness,the person is healed by Allah's will. »

Read Fatiha, ayat Korsi, Ikhlas, Falaq, Nas AARAF 117-122, YUNUS 81-82, TAHA 68-70 ; 11 times in 25L Galon or 18 bottles of 1,5L

These verses are the fundamentals in Roqya, you can add many others from hadeeths, roqya books or any verse or prophetic duaas you like or read more than 11, this will increase the power of the Qoran in water.

Every evening,during 12 days,pour one bottle(1,5L) on your body, collect the water and throw it in a clean place.

Also spray your house : walls, roof, floor, doors and windows, shop or workplace.

In case of body pain : When reading on water read on olive oil or black seed oil to rub your body after bathing : the Qoran will affect you as long as the oil is on you.

In case of digestive problems : Boil 1 big spoon of sana leaves with 1/2L of Qoran water and drink on empty stomach, repeat every day until it gives no pain

In case of frequent nightmares : Recite before bedtime verse 148 of sura 2 (from aynama takounou until the end of verse) as many times as you can then invoke Allah (swt) to give you the power to overcome your enemies in dream and it will break the witchcraft and jinn through the grace of Allah (swt).

In case of blocking during sleep: We close the hands palms and reciting Ayat Koursy (Sura 2 Verse 255) in the heart until the tongue loosed. Then recites aloud until all the body relaxes.
